CLASSICAUTO

9th International Classic Motorshow

DESCRIPTION OF THE STAND

Stand with octagonal aluminium profiling and white melamine (no platform). M-3 fireproof fair carpeting throughout the surface of the stand, black. Labelling with standardised lettering on the frontispiece on all the façades open in the aisle with the name of the exhibitor and stand number.

Connections and electrical board with a magnetothermal differential with a 500W single plug base, prepared to support power of 130W/m². Lighting with 100W halogen spotlights mounted on rail at the ratio of 50W/m².

Double-sided tape cannot be stapled, perforated, drilled nor placed on the melamine walls. For each damaged panel the exhibitor will be billed 50€.

CARPETS SAMPLES

GENERAL CONTRACTING CONDITIONS

Owing to the stock and the constant renewal of the material, ERMEVENTS, S.L reserves the right, where necessary, to replace some elements with similar ones.

The elements are on a rental basis; hence, should any deterioration occur once installed, the sole party responsible will be the exhibitor, thereby assuming the cost of any damages occurring.

When the event finishes, the furniture and the rest of the elements will be removed. ERMEVENTS, S.L. shall not be liable for any objects which have been forgotten or abandoned.

Any orders for materials and works requested must be submitted in writing by means of the present request.

All orders must be made and formalised in firm fashion (= paid) before February 2nd 2018; from this date onwards a **50% surcharge** will be applied to orders made by February 9th and since that time **no further requests have been accepted.**

ERMEVENTS, S.L. will not be held liable for the delivery date for any services requested outside the timeframe. Payments will be made by bank transfer and it is vital that a copy be sent of the transfer along with the application form by e-mail to ERMEVENTS, S.L.
